

KAUAI OCEAN REPORT

Supported by the Kauai Fire Department Ocean Safety Bureau.

*Forecast and warning information provided by the National Weather Service.

SAFETY TIPS

- ◆ **SWIM AT LIFEGUARDED BEACHES** - ask lifeguards for safety and swimming tips.
- ◆ **CONDITIONS CONSTANTLY CHANGE** - daily and seasonal changes must be monitored closely.
- ◆ **WAVES COME IN SETS** - it can look calm for up to 20 minutes between dangerous sets of huge waves.
- ◆ **HAZARDS CAN EXIST IN ANY COASTAL AREA**, not just in the water. Be careful on wet sand and rocks.
- ◆ **DO NOT FIGHT A RIP CURRENT** - if caught in a current keep calm, float, breathe, don't panic, and wait for help. Go **WITH** the current and conserve energy.
- ◆ Use the **BUDDY SYSTEM** - never swim alone
- ◆ **WHEN IN DOUBT - DON'T GO OUT!** Know your limits!

CURRENTLY NO WARNINGS OR ADVISORIES

Expect rough conditions at all East-exposed locations due to fresh Easterly tradewinds and choppy wind-swell. Always use caution & consult lifeguards before entering the water - WHEN IN DOUBT DON'T GO OUT!

OCEAN REPORT DISCUSSION

East-facing shores topping the surf heights in the 3-6' range with some surf wrapping to East-exposed locations on North & South shores. No access to Haena or Na Pali. Always use caution - esp. when unfamiliar and help is a long way away. Recommended lifeguarded beaches: Hanalei, Poipu, Salt Pond, Kekaha.

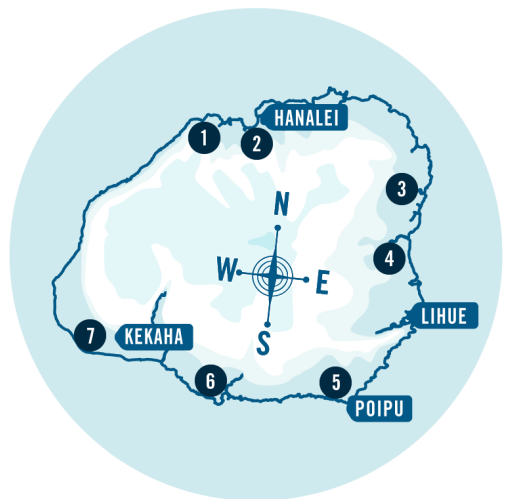

Outlook to Mon June 25: generally declining surf and no significant swells in the forecast. Easterly tradewinds and choppy East wind-swell building Thurs-Fri.

FORECAST SURF HEIGHTS

| | |
|-------------|------------------|
| North | 1 to 3 ft |
| West | 1 to 2 ft |
| South | 1 to 3 ft |
| East | 3 to 6 ft |

SURF ADVISORY MAP
